

AI Startup Intelligence - Executive Report

Generated 2026-07-17 08:56 UTC

Portfolio Summary

Startups tracked: 7
Raw articles ingested: 22
Signals before dedup: 28
Unique signals after dedup: 25

NimbusAI (Enterprise AI)

HQ: San Francisco, USA | Founded: 2024 | Employees (est): 60
Predicted stage: Early Growth (Series A/B) (confidence 80%)
Total funding tracked: \$18.0M | Latest round: series a
Momentum: 47/100 Risk: 0/100 Recommendation: Watch ? Emerging Momentum
NimbusAI is assessed at the 'Early Growth (Series A/B)' stage (confidence 80%) with a momentum score of 47/100 and risk score of 0/100, based on 3 consolidated signal(s).
Opportunities:
- Raised \$18M (series a) reported by 3 source(s) on 2026-06-02.
- Active hiring signal: We raised our Series A ? here's what's next
- Product launch: NimbusAI launches autonomous workflow builder in general availability
Risks:
- No significant risk signals detected in this period.

GreenGrid Energy (Climate Tech / Energy)

HQ: Denver, USA | Founded: 2022 | Employees (est): 140
Predicted stage: Early Growth (Series A/B) (confidence 80%)
Total funding tracked: \$42.0M | Latest round: series b
Momentum: 47/100 Risk: 0/100 Recommendation: Watch ? Emerging Momentum
GreenGrid Energy is assessed at the 'Early Growth (Series A/B)' stage (confidence 80%) with a momentum score of 47/100 and risk score of 0/100, based on 4 consolidated signal(s).
Opportunities:
- Raised \$42M (series b) reported by 2 source(s) on 2026-05-14.
- New partnership: GreenGrid Energy partners with Duke Energy on grid modernization pilot
- Raised \$0M (series b) reported by 1 source(s) on 2026-07-01.
- Active hiring signal: GreenGrid Energy is hiring: 15 open roles in engineering and field operations
Risks:
- No significant risk signals detected in this period.

Solstice Health (HealthTech)

HQ: Boston, USA | Founded: 2025 | Employees (est): 35
Predicted stage: Seed Stage (confidence 75%)
Total funding tracked: \$6.0M | Latest round: seed
Momentum: 37/100 Risk: 0/100 Recommendation: Watch ? Emerging Momentum
Solstice Health is assessed at the 'Seed Stage' stage (confidence 75%) with a momentum score of 37/100 and risk score of 0/100, based on 4 consolidated signal(s).

Opportunities:

- Raised \$6M (seed) reported by 1 source(s) on 2026-04-22.
- Product launch: Solstice Health appoints new Chief Medical Officer amid rapid growth
- Raised \$0M (seed) reported by 1 source(s) on 2026-07-05.
- Product launch: Introducing Solstice Notes: real-time ambient documentation

Risks:

- No significant risk signals detected in this period.

Loomwork (Future of Work / SaaS)

HQ: Remote | Founded: 2026 | Employees (est): 2

Predicted stage: Seed Stage (confidence 75%)

Total funding tracked: \$7.0M | Latest round: seed

Momentum: 28/100 Risk: 0/100 Recommendation: Insufficient Signal

Loomwork is assessed at the 'Seed Stage' stage (confidence 75%) with a momentum score of 28/100 and risk score of 0/100, based on 3 consolidated signal(s).

Opportunities:

- Raised \$4M (seed) reported by 1 source(s) on 2026-07-08.
- Raised \$4M (seed) reported by 1 source(s) on 2026-07-09.
- Active hiring signal: We're building Loomwork in public

Risks:

- No significant risk signals detected in this period.

Aether Robotics (Robotics / Supply Chain)

HQ: Pittsburgh, USA | Founded: 2020 | Employees (est): 480

Predicted stage: Late Stage / Scaling (confidence 80%)

Total funding tracked: \$110.0M | Latest round: series d

Momentum: 23/100 Risk: 0/100 Recommendation: Insufficient Signal

Aether Robotics is assessed at the 'Late Stage / Scaling' stage (confidence 80%) with a momentum score of 23/100 and risk score of 0/100, based on 3 consolidated signal(s).

Opportunities:

- Raised \$110M (series d) reported by 1 source(s) on 2026-02-19.
- New partnership: Aether Robotics partners with Walmart for warehouse automation rollout
- Active hiring signal: Aether Robotics hiring for 40 new engineering and operations roles

Risks:

- No significant risk signals detected in this period.

PayFlux (Fintech Infrastructure)

HQ: New York, USA | Founded: 2021 | Employees (est): 310

Predicted stage: Late Stage / Scaling (confidence 80%)

Total funding tracked: \$70.0M | Latest round: series c

Momentum: 12/100 Risk: 35/100 Recommendation: Insufficient Signal

PayFlux is assessed at the 'Late Stage / Scaling' stage (confidence 80%) with a momentum score of 12/100 and risk score of 35/100, based on 3 consolidated signal(s).

Opportunities:

- Raised \$70M (series c) reported by 1 source(s) on 2026-03-11.

- Acquisition activity: PayFlux acquires payments compliance startup ClearRail

Risks:

- Layoffs reported: PayFlux reduces headcount by 8% amid restructuring

Verdant Foods (FoodTech / AgriTech)

HQ: Austin, USA | Founded: 2019 | Employees (est): 90

Predicted stage: Acquired / Exited (confidence 95%)

Total funding tracked: \$80.0M | Latest round: unknown

Momentum: 12/100 Risk: 85/100 Recommendation: Exited ? No Longer Investable

Verdant Foods is assessed at the 'Acquired / Exited' stage (confidence 95%) with a momentum score of 12/100 and risk score of 85/100, based on 5 consolidated signal(s).

Opportunities:

- Raised \$80M () reported by 1 source(s) on 2026-01-30.

Risks:

- Layoffs reported: Verdant Foods, once a rising alt-protein star, lays off 30% of staff

- Layoffs reported: Verdant Foods CEO steps down amid restructuring

- Leadership change: Verdant Foods CEO steps down amid restructuring

- Acquisition activity: Verdant Foods acquired by Nestle-backed food conglomerate
